

...unlimited small, but fine & regional...

On our menu you will find only regional and seasonal products, which convinced us of their quality. Sustainability and consolidation of our region is one of our main issues.

For example the bread from Stefan Öhlenschläger in Groß-Rohrheim, the sausage from Paul Blüm's butcher shop in Lampertheim, the unfiltered apple juice from our neighbors, the „mostbuben“ from Kirschhausen as well as the trout and the char from the Forellenzucht Hochspessart.

We would like to offer you a place of pleasure and relaxation. Stay healthy and enjoy...
